

Riesling BIO Peter & Paul 2017

Österreichische Landwirtschaft
AT-BIO-401

Tradition & origin

Our winery, Winzerhof Hoch, has existed since 1640. Because of this, our coat of arms and the script date back to the 17th century. Since then, our family has been closely connected with our vineyards. Our vines have their roots in a rare form of conglomerate stone. Working with this terroir is challenging: the unique micro-climate results in totally different circumstances than in the surrounding area. We are fully aware of the challenge that this presents and we combine tradition and innovation. "Our goal is to maintain our historical legacy and use the terroir in the expression of our wines. We want to make wines that are full of life, that give the feeling of having overcome time."

Vinification: Stainless-steel & oak barrels

The two saints, Peter & Paul, have always been the guardians of our winery: the antique wooden figures, more than 300 years old, still stand, to this day, at the entrance, by our gates. The three motifs, the sword, key and book, are symbols of protection. We are now using these two figures as representations of two different ways of making wine: Peter (appropriately, from the Greek word 'petros', meaning 'stone') reflects our respect for the classical wine-making methods which we use, while Paul represents natural wines. Eighty percent of the Peter & Paul Riesling has been fermented in stainless steel tanks, using commercial yeasts in a reductive way. The remaining twenty percent was allowed to ferment spontaneously, in oak casks, without the addition of SO². This twenty percent is aged on the yeasts and shows more oxidative aromas. Because these vineyards are ecologically farmed, they display an extraordinary variety of flora and fauna. Peter & Paul Riesling represents the cooperation between two generations of winemakers, a combination of traditional and natural wine-making methods: two saints, two families, two philosophies – united in one wine!

Description: Structured fruit & austere minerality

Brilliant pale lemon. On the nose, we find citrus aromas with intense, yet elegant minerality. The palate shows a lively and refreshing Riesling with a multi-layered, complex structure. Ripe apricots and peaches, with herbal notes. An elegant wine, showing great finesse and a backbone of minerality. This is a perfect match with fish.

Alcohol: 12,5 % Acid: 6,1 g/l Residual sugar: 3,9 g/l
